Don't forget the Golden Drover Awards Ceremony!

It is free and begins at 9 p.m. in the Jack A. Maurer Convention Center inside the Simmons Center. It's a red carpet affair (with a casual flair) and plenty of photo opportunities before and after. Whether you are 8 or 88, you we think you will enjoy this event. The awards ceremony includes the JAMES P. GARIS MEMORIAL FELLOWSHIP AWARD. Mr. Garis passed away just hours before the first Trail Dance award show where he was to receive the inaugural (first ever) Golden Drover. This award is given to an individual who has shown dedication to the growth and enhancement of Duncan.

Mr. Garis was also responsible for establishing the Garis Gallery of the American West, right here in the CTHC! His legacy continues to impact our visitors of all ages and cultures. *Art has no boundaries!*

Teachers - Book Now for "History Heroes"

Bring your students to hear the stories of Will Rogers, Wiley Post, Mike Larsen, and other famous Oklahomans, in this brand new session that focuses on the heroes of history and famous people of the Chisholm Trail Region.

Our educator, Edie Stewart, will portray Betty Blake Rogers (Will Rogers' wife) and she will share the story of Will Rogers and aviator Wiley Post.

In art, students will learn about artist George Catlin and creating their own chalk landscapes using Catlin's tricks. They will visit the Garis Gallery of the American West to discover Oklahoma's famous artists and learn about Mike Larsen's "Flight of Spirit" ballerina mural that was dedicated in 1991, in the Oklahoma State Capitol.

Science and Technology lessons includes Wiley Post's pressure suit and observation and experiment, while the engineering of jet streams and altimeter will be

covered, using an Oklahoma map to discover who invented what in Oklahoma.

A math lesson will take students back to the days of Mickey Mantle, where they will learn about baseball stats and using a tape measure for a home run. Paper airplanes will also fly in this session.

All sessions are designed to fulfill the current standards set forth by the Department of Education for subject and grade level.

The Heritage Center is Oklahoma's only non-profit Great Expectations Model School, certified since 2007. Our instructors are GE certified. This session is only open until March 11 and filling fast, so call Leah today, (580) 252-6692, to book your session.

We Inspire Young Minds

We believe the best way to learn about the historical impact of past events is through hands-on exploration. Incorporating math, science, entrepreneurship, fine arts, Native American culture, United States and Oklahoma history, music and interactive learning offers students a unique experience.

When students work together discovering, problem solving, sharing ideas - it sparks their creativity and engages them in the learning experience.

STEAM on into the future!
