

STATUE RESTORATION WORK

STEPHEN ROBERTSON/STAFF

A grizzled cowboy watches impassively as Nate Howe uses a blow torch to dry the "On the Chisholm Trail" statue after a good cleaning. A crew from The Crucible foundry in Norman cleaned the bronze at the Chisholm Trail Heritage Center in Norman before applying a fresh coat of wax and buffing it to bring out the best of the monumental bronze.

STEPHEN ROBERTSON/STAFF

Aaron Tiffany of The Crucible foundry gives horses in the "On the Chisholm Trail" bronze a final cleaning last week as a crew from the foundry washed and dried the imposing sculpture at the Chisholm Trail Heritage Center in Duncan before applying a coat of wax and buffing it to bring out the beauty of the bronze.

STEPHEN ROBERTSON/STAFF

Aaron Tiffany, left, and Keaton Kilpatrick apply a coat of wax to the monumental "On the Chisholm Trail" bronze at the Chisholm Trail Heritage Center in Duncan. The crew from The Crucible foundry in Norman cleaned the statue, applied wax and buffed it to enhance the beauty of the bronze.
