Campfires, Cattle & Cowboys Gathering

Campfires, Cattle, and Cowboys Gathering, a cowboy poetry evening, returns for its third year, Friday, Nov. 17, at the Chisholm Trail Heritage

Center in Duncan.

Featured artists include nationally-recognized cowboy poet Jay Snider, cowboy poet laureate Francine Roark Robison, Danny Carl Williams, Donnie Poindexter, and the duo of Jim Garling on the guitar and Susanne Woolley on the fiddle.

Novice performers get a chance to break in their boots on the stage during open mic session interspersed through the featured performers from 6:00 – 9:00pm. Register that night or call for details. All family friendly spoken or musical poetry welcome.

Meet, mingle and pick up your favorite artists' books and CDs from 5:00-6:00pm or at their artist table throughout the night.

To warm your innards, there will be campfires, hot coffee and plenty of hot chocolate. Bring your blankets and lawn chairs for this outdoor gathering. No charge to attend. There is a recommended donation of \$20 to help the Chisholm Trail Heritage Center fulfill its mission and continue these types of programs.
