# We're Having a Holiday Party and You're Invited!

## A Holiday Mixer and Meet the Artists' Reception

*Live Music - Refreshments  
Holiday Atmosphere!*

We're closing out the 20th anniversary of the Heritage Center with an Open House to say thank you for making us an Outstanding Attraction and one of Oklahoma's premier destinations.

## Tiger Art: The Legacy Lives On

Get a chance to meet Dana Tiger and her children, Christie and Coleman during our holiday mixer. Dana is the daughter of Jerome Tiger (1941-67). They will be here Dec. 6. Their signed art is available to purchase, now through Jan. 6, 2019.

## American Farmer Portraits by Paul Mobley

Bees bigger than your fingers, a cattle rancher holding his speckled hen, a gator rancher, tractor driving farmers and more - you can see these incredible images in this unique exhibit now through Jan. 7, 2019. It's all in the Garis Gallery of the American West - like you have never seen it before!

We've transformed the Garis Gallery for this incredible exhibit featuring 45 portraits that depict the American Farmer and put a spotlight on the importance of agriculture. Photographer Paul Mobley spent four years traveling to hear the stories of those who are dedicated to the resources of this country. These images look like they could have been created yesterday. This is as much an educational exhibit as it is a wonderful collection of portraits. We hope you will explore this exhibit with your family and friends during our holiday season.
